**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Statement of Reasons for the indication of allowable subject matter in the Office Action mailed September 22, 2009, Applicant respectfully submits the following comments.

Applicant thanks the Examiner for his diligent examination of each of the pending claims and acknowledging the patentability thereof. Applicant wishes to point out that each claim is separately patentable based on the combination of features recited therein and not on any particular feature or group of features. Accordingly, Applicant wishes to note that the Examiner's identification of a purportedly distinguishing feature of the claim is not the only basis for patentability of the allowed set of claims. As such, the patentability of each claim rests on each claim taken as a whole on its own merits.
